Dear Graham

I want to thank you for the great job that Ryan and Craig did last week and in time for the funeral mass on Friday too. They were great to have around and the lights are wonderful. Many people have commented this w/e. I am getting used to controlling them too! I would be very happy if they could come next time to do the "stations" lights.

Thank you once again. God bless
Fr Graham

Subject: Lighting.

Good morning Fr Graham,

I hope all is going well, Ryan and Craig hope to get the majority of the work completed today and then final small items in the morning and also go over the programming with you as well.

Let me know if there is any problems.

Regards

Graham
